

Important Reminders for the Dell Venue Carts

Please ensure that ALL users adhere to the guidelines established in the training.

1. Users should not be walking around the classroom with these devices except for Check-out and Check-in.
2. Users should not be disconnecting the keyboards.
3. Users should not be forcing the tablet back while trying to adjust it to a better angle. This will weaken or break the connection.
4. Only the Teacher detaches the chargers from the devices. Please leave unplugged all day, including turning the Cart back in.
5. Teachers must monitor the use of the devices all period long and inspect each one before placing it back at the end of the period.
6. Remember to keep the cart locked up when not in use, and keep up with the key.
7. Users should not be going to the Windows Store and downloading any apps.
8. Users should not be downloading and installing any programs.
9. Damages and/or loss will be assessed to either the student or teacher.
10. All information from training and any documents, links, etc. are posted on GPHTechnology- <http://gphtechnology.pbworks.com>
